Multi-Student Discount: For sponsoring companies enrolling three (3) or more students, there's a Multi-Student Discount of 6% applicable only to Plumbing and HVAC tuition. This discount must be paid in full upon registration.

Construction Core Requirement: This course is mandatory for all Level 1 students and must be completed to progress in training.

Payment Schedule:

- **Initial Payment:** The initial payment, covering tuition, book(s), connect fees, and lab fees, is due before the first night of class. Additionally, incoming first-year students will be billed for the code book, core class, and materials.
- **Biannual Payment Option:** If a card is left on file, students have the option to make biannual payments. The initial deposit, equal to half of the tuition, book(s), lab fee, and connect costs, is due before the first class. Additionally, incoming first-year students will be billed for the core class, and materials.

The second payment is due mid-January.
